NOW, THAT'S A BEGINNING! Friday, September 25, 1981, proved to be a grand and glorious night, not only for Queen Angie and her court but also for the Admiral King Admirals. Coming into this the fourth game of the season, the Admirals had yet to taste victory. And for the first few minutes, it seemed like it would be another one of those nights. But, Homecoming 1981 was graced with a fabulous win with the Admirals downing previously unbeaten Fremont Ross. Yes, the moon shined brightly that night which brought many exciting memories for all of us.

1981 Homecoming Court: L to R: Ron Dorsey, Laura Dimacchia, Bill Heider, Connie Marousis, Queen Angie Nieves, Darnell Ballard, Karen Rybarczyk, Tony Gallo, Dorothy Smith, Jaime Guzman

Senior Committee

The Senior Committee, selected by the members of the class of '82, got involved in their responsibilities shortly after the school year began. With one primary goal ahead, that being the need to secure sufficient funds to provide fellow classmates with the best-ever Senior Banquet and Prom. The Committee dug in and graced the hallways of AKHS with sweet smelling carnations for Sweetest Day, the first of many fund-raisers. Next, followed a very successful Rock-A-Thon. Other activities included car washes, bake sales, senior T-shirts, and a dance.

Sandra Martindale, looking soooo fine. Steve Sutton is lucky.

So Whoopee, Big Deal!! You got a date for the Prom. (Just kidding, Becky)

Over 200 Seniors Attended-

It was a night of fun and merriment as 205 members of the class of '82 put on their finest dress (many were real knockouts) and bestowed honors on many of their own. The highlights of the evening included the presentation of Senior Poll winners and the long awaited announcement of the Trident King and Queen and the respective Courts (see page 77) as selected by the crew of the U.S.S. Ohio, the U.S. Navy's first Trident Nuclear Submarine. In addition, the Whizzard of OZ, Mr. Harry Hockman, bestowed awards to several of his electronic Whizzes: Jerry Smath, Computer Whiz; Best Dressed Electrician, Joe Payne; Hardest Worker, Jim Jacovetti; Car Radio Expert, Bob Hare. But best of all, the good food, fun, and laughs were FREE.

Yes, Fun Was Had By All-

—even the next day when so many went against Administrative edicts to stage the traditional AKHS Senior "Skip Day." So what if we had to wait at home for the phone to ring. We still had our day.

When it comes to signing autographs, Ron Zimmerman really knows how to get down to business.

Senior Prom

"Best Of Time"

Lovely ladies of '83 say welcome.

Putting on the "Ritz!" There were those who arrived in a chauffeur driven limousine.

And, there were those who parked in the back.

But, they all arrived for a big night of fun, including the Pointer Sisters.

Paul Bires and Lorraine Davilla, a nice couple.

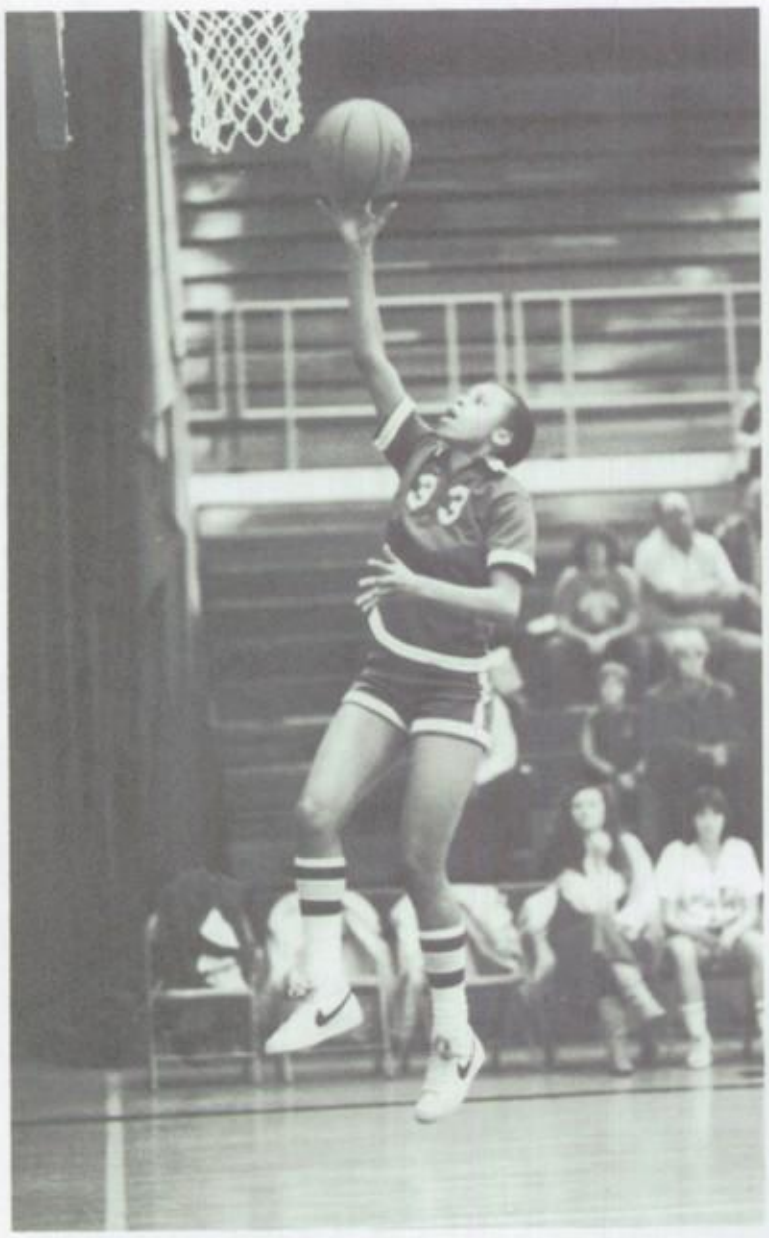
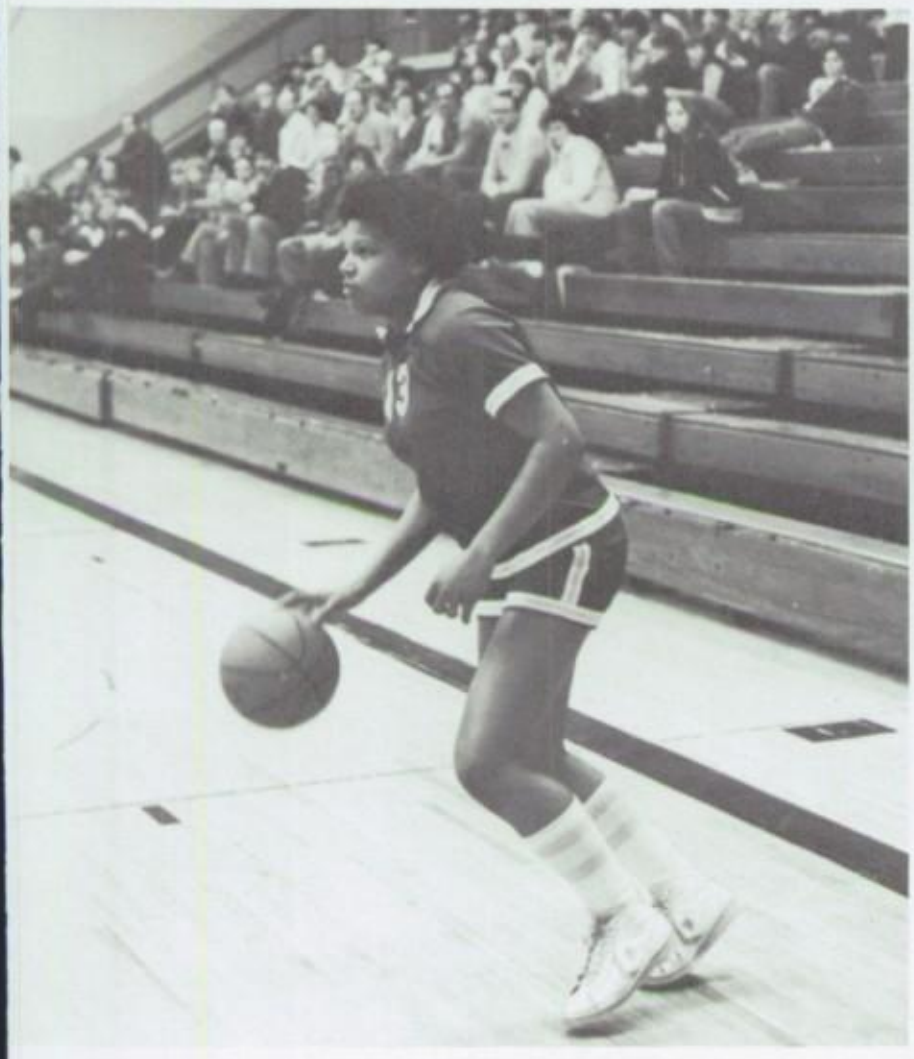
"Down The Tournament Trail"

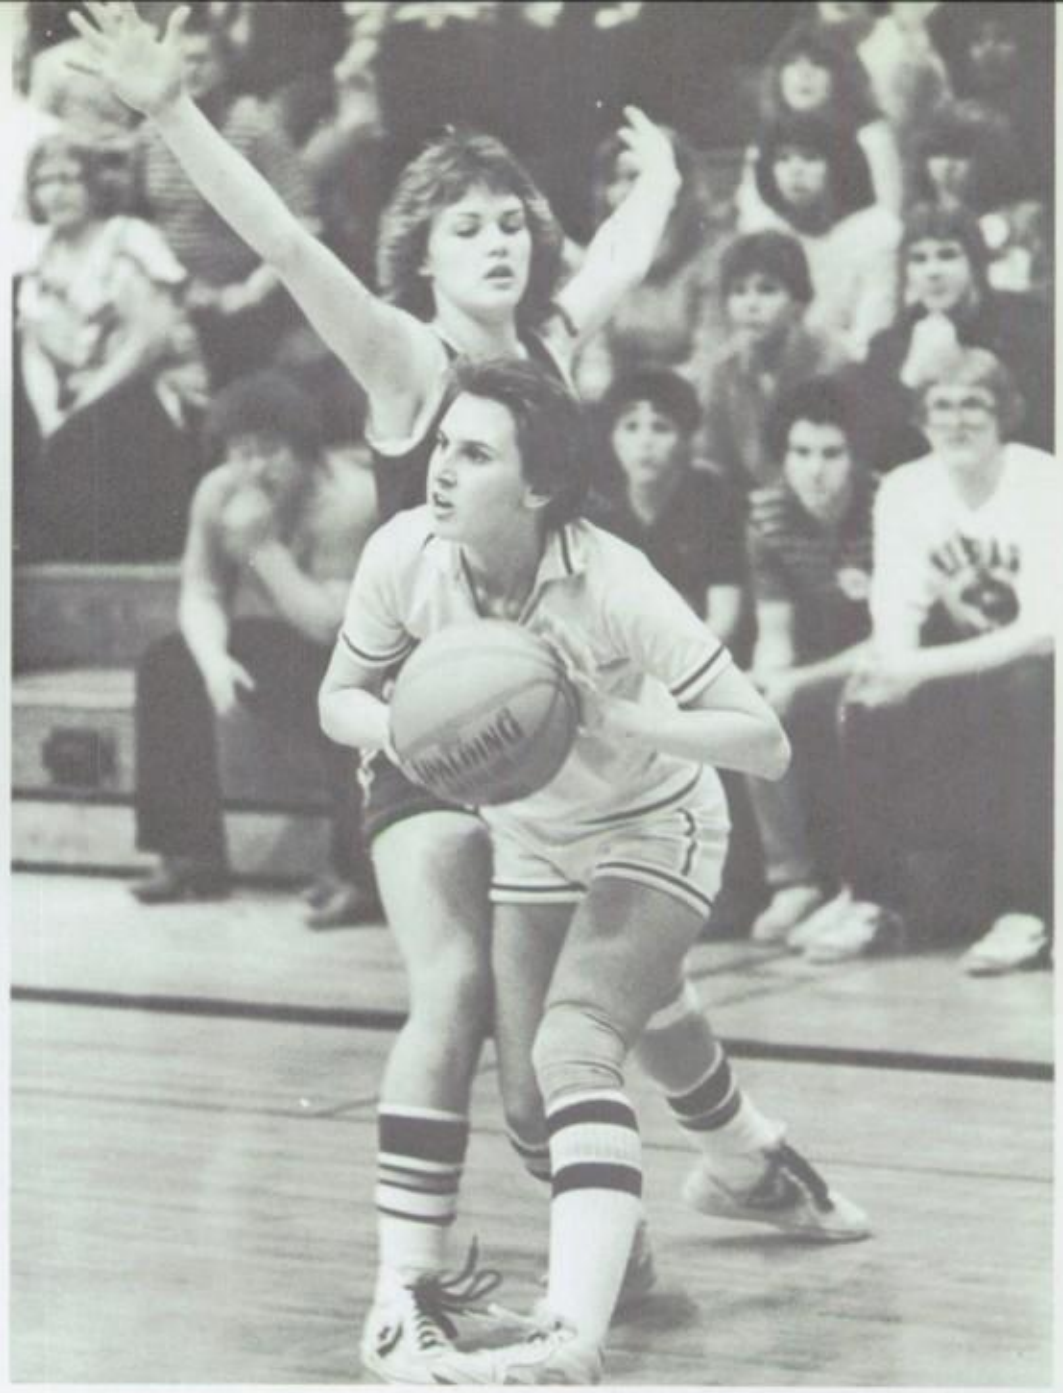
The Thrills Of Victory And The Agony Of Defeat With Our Guys & Gals



What We Didn't Get This Year We'll Get Next!

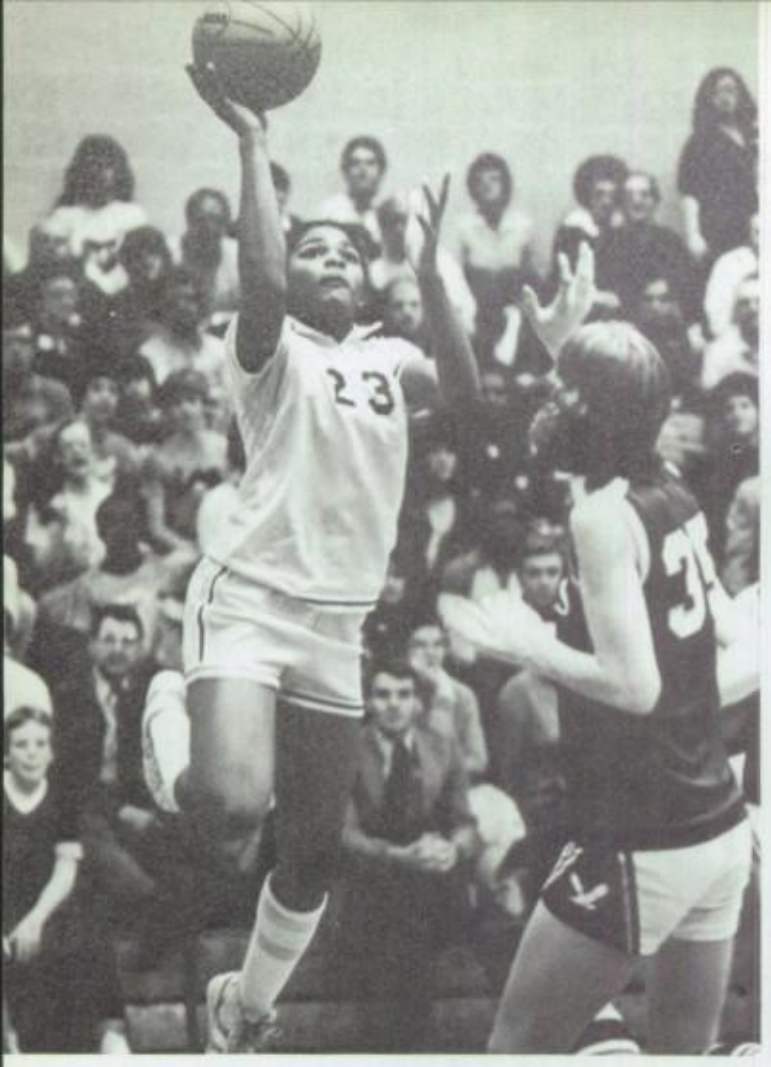
District Champs





Thrills Of Victory . . . .

Sweet Sixteen



Buckeye Conference Champs!

Next Step State!

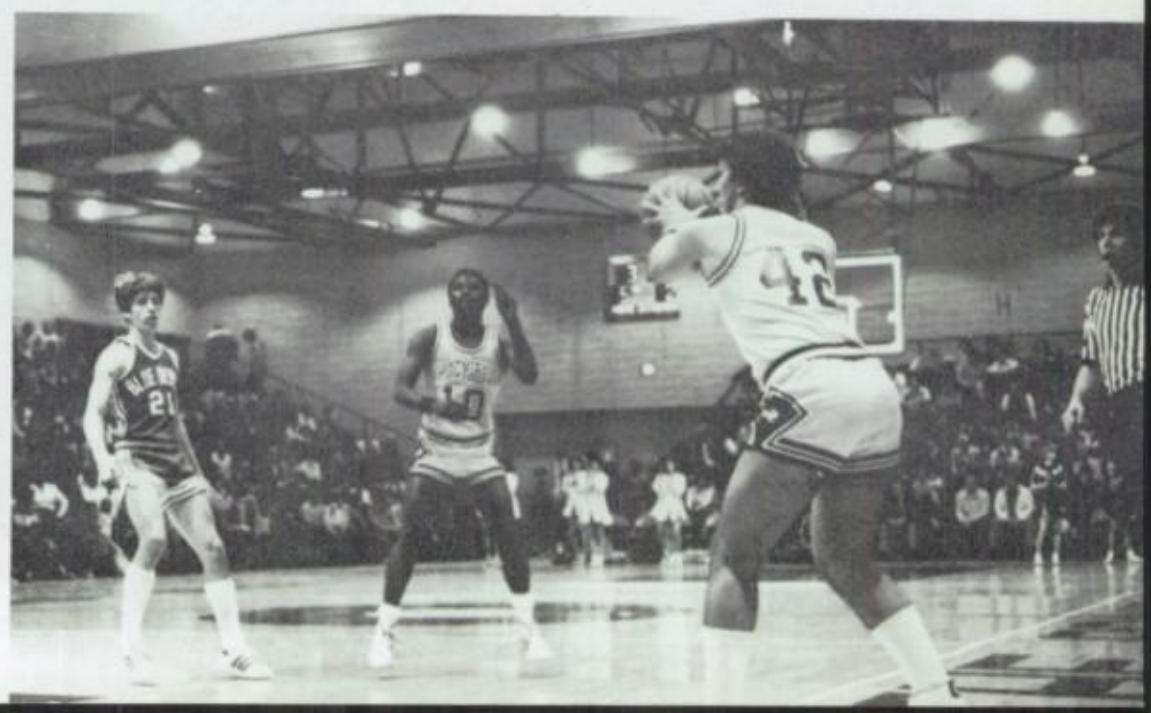
The '82 State Basketball Tournament was a very exciting and successful one for the young ladies at King. Seeded second in the Sectional, we put away Cloverleaf 56-20, and then Magnificat 58-19 to win the title.

In the District Tourney, we nipped Bay 43-40 and then gained revenge by beating number one seeded Lakewood 45-40 in overtime for the Championship. The win was especially sweet since Lakewood beat us in the District finals last year. Next the Regionals. In our final game against Hubbard, the game was tied with three minutes left. But when leading scorer and rebounder Kim Walton fouled out, Hubbard pulled away for the win. It was, nevertheless, quite an achievement to reach the State's "Sweet Sixteen." We thank senior leaders Kim Pardon and Regina Heath, and promise them to try to do even better next year.

And The Thrills Continued

As The Guys Blazed Their Way Through The Sectional & District

The Guys started by "bombing" the Blue Devils of Brunswick in the Sectional Opener by a score of 88 to 44. We were on our way!



And The Victory-Beat Went On-

Now with two impressive wins back-to-back and another Sectional title tucked away, the word began to spread, from fan to fan, in the headlines, and over the air waves. The word was very simply, "AWESOME!"

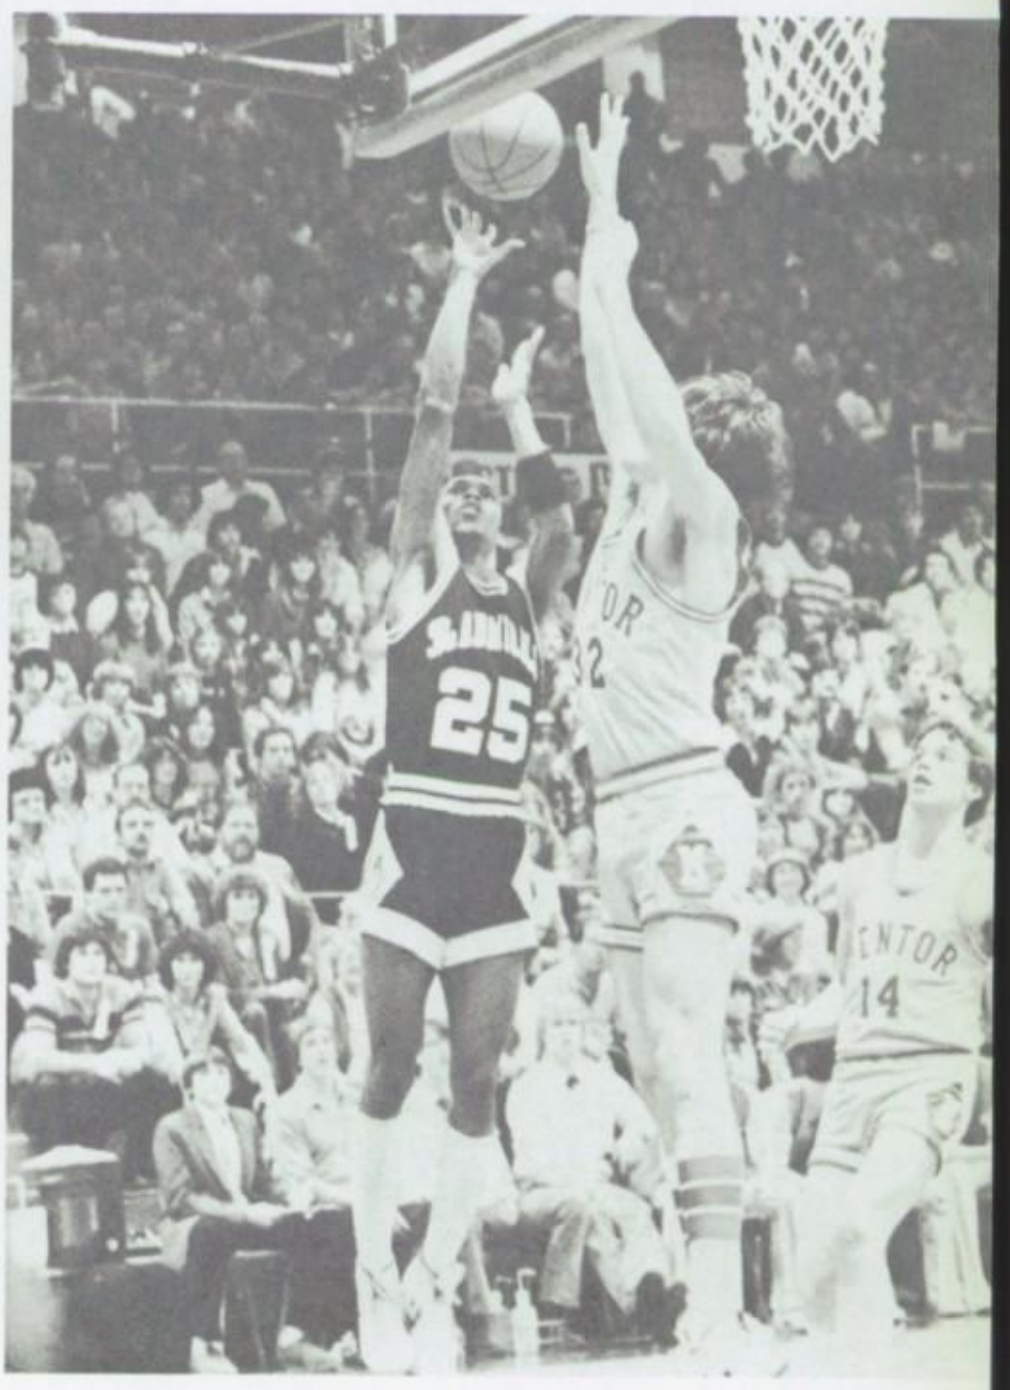
But in the District opener, along came the Bay Village Rockets with their equally impressive 20-1 record. The boys from Bay were not about to roll over and play dead. Through 32 minutes of basketball, it was cardiac arrest time. Bay took a 15-13 first quarter lead, but the scrapping Admirals went in to the locker room with a one point advantage, 24-23. The two teams played to a 31-31 tie at the end of three and the "Good Guys" put it all together in the finale to take a 44-39 victory, the Admirals' school-record tying 17th consecutive victory.

The Admirals easily manhandled the Midview Middies 93 to 38 to pick-up the Sectional Championship.

And the Admirals broke the record for the number of consecutive wins with the 69 to 42 pounding of the Elyria Pioneers. The win gave the Admirals the District Championship, and a trip to Kent State.

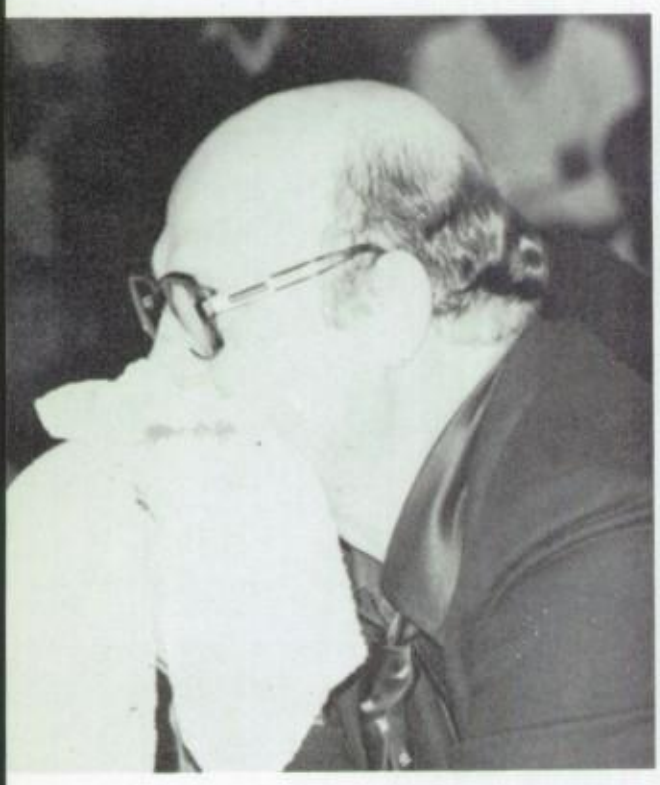
t Was Off To Kent-Fans And All

Study. Go ahead, just try to study. No way! Who in the name of anything and everything decent can even contemplate studying when our beloved Admirals are heading for Kent State University. We are part of the "Sweet Sixteen" once again, and How Sweet It Is!!! And it was sweet, except when the students had to leave the floor.

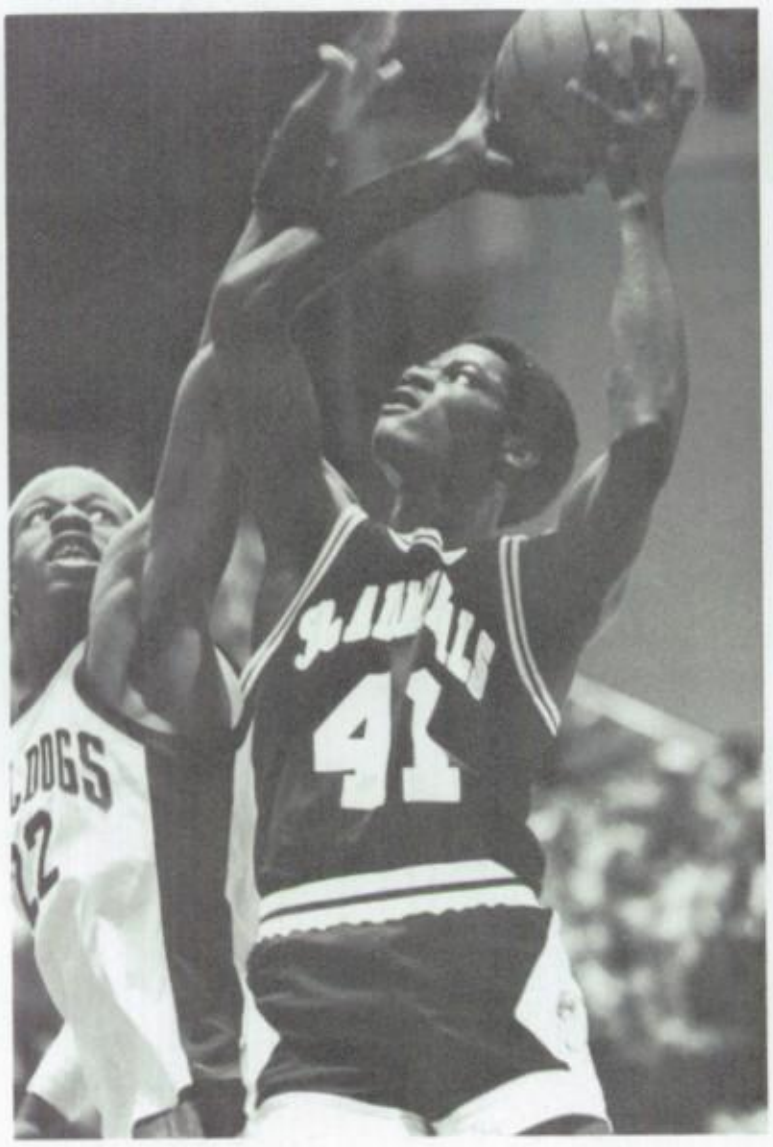


The headlines following that Thursday night, March 18, 1982, at Kent said it all: "King one game from State Tourney," "Pressure defense does it again for King," "Defense carries King past Mentor." With Michael Walton being the only carry-over from Ohio's number two team two years ago, the reality of the Regionals might have had something to do with the obvious lack of offense. It was just plan "ice cold." But as the headlines declared, what the Admirals lacked in offense, they more than made up for it in defense. The end result was a 50 to 47 win over Mentor and a trip back to Kent in two days. It was also King's 24 victory, a school record for most wins, not to mention the fact that it was the 19th straight victory.

Regional Final - The Elite Eight - AK Vs. Toledo Scott



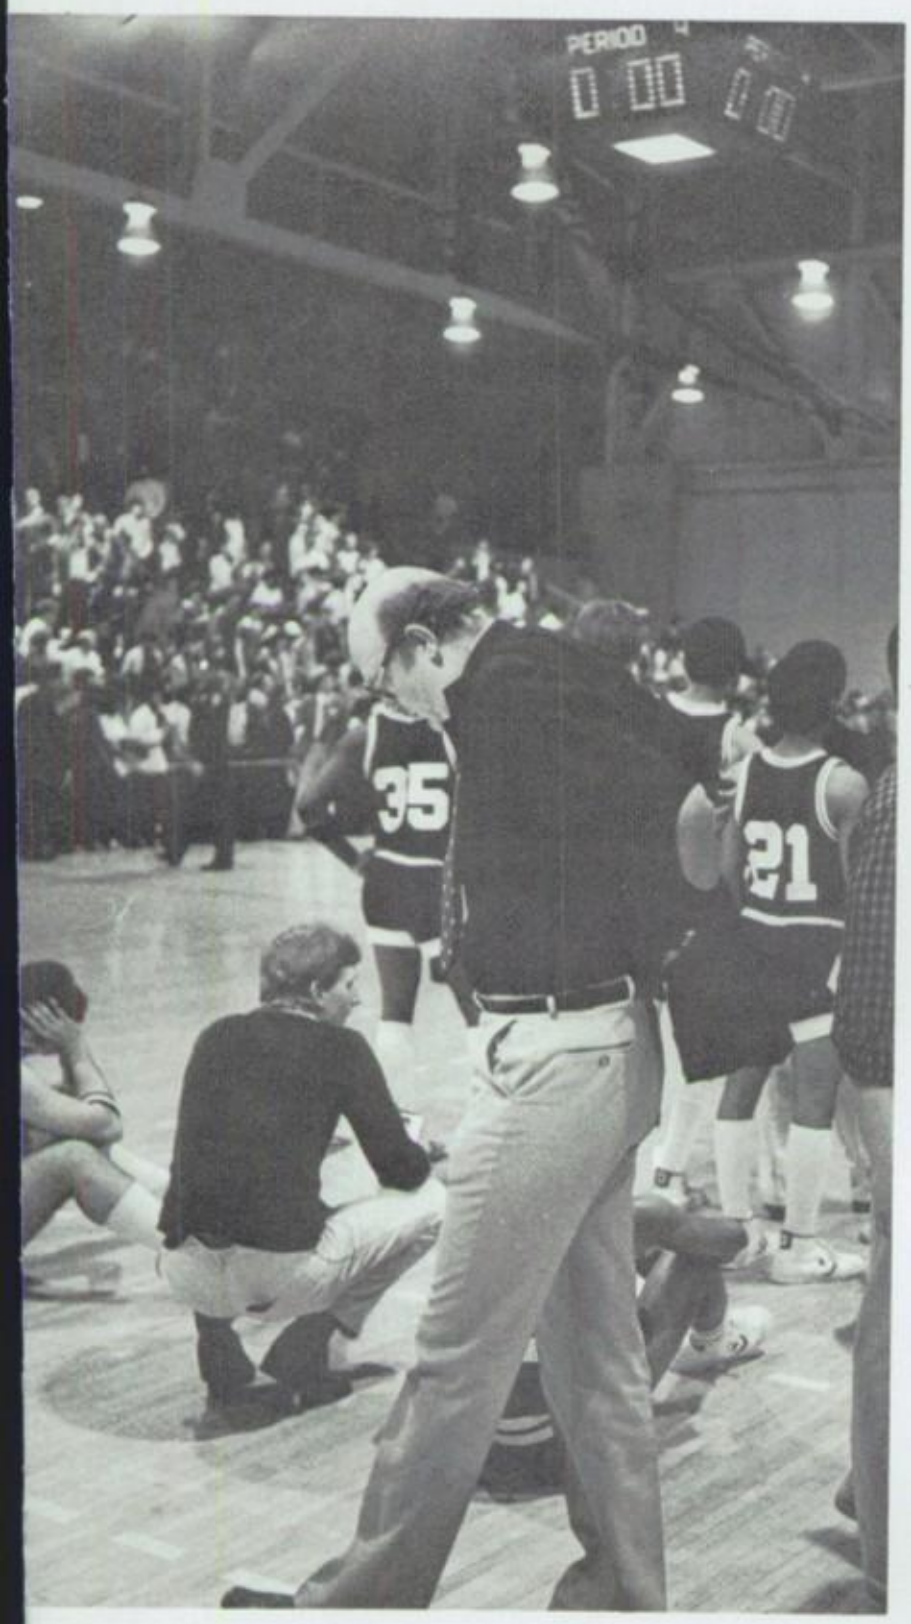
Mitch Gillam, selected Ohio's coach of the year, guided the Admirals to one of its greatest seasons ever: 3rd in the state, B.C. Champs, Regional Runner-up, most victories in the history of the school. Thanks, Coach.

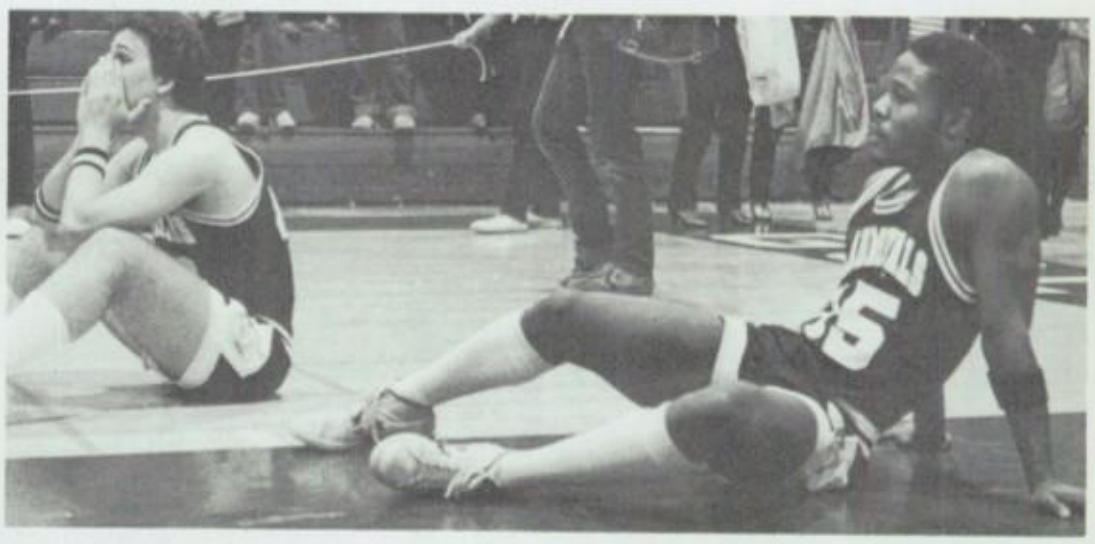


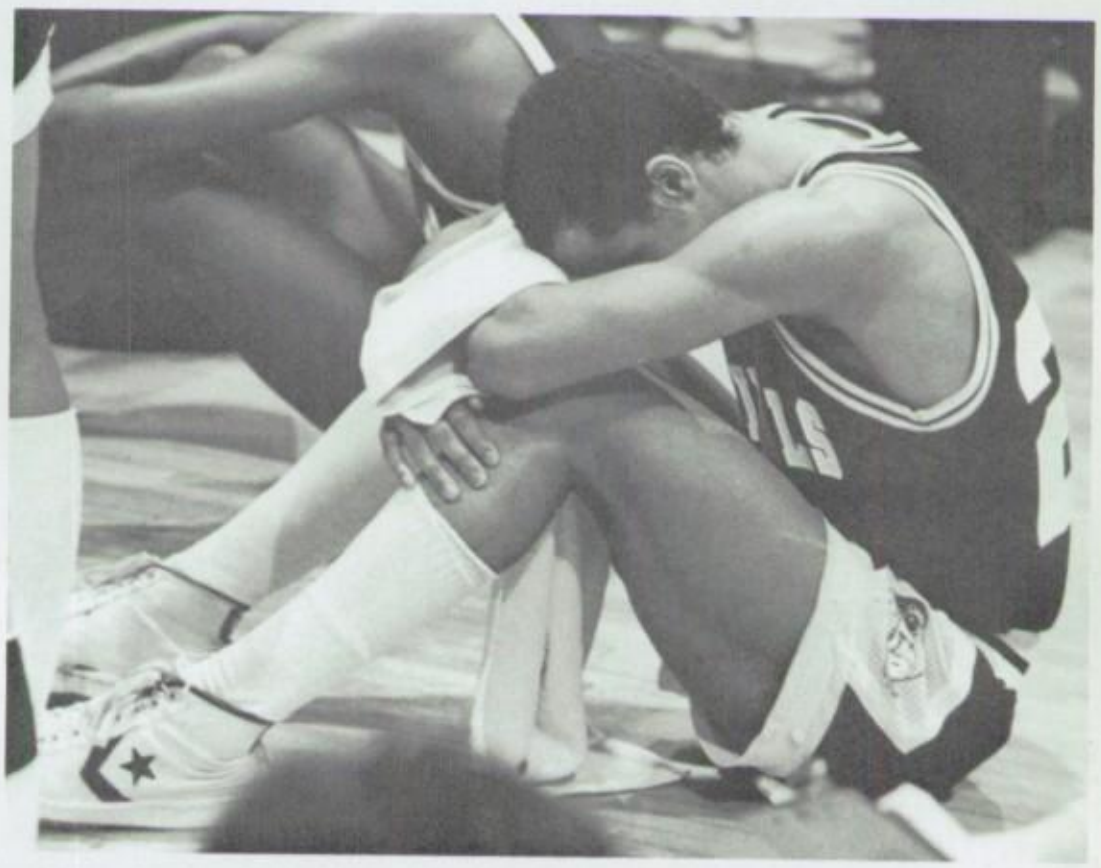
Steve Davis and Roger Smith connect for two at Kent.

So close, and yet so far. It was deja vu from that 1979-'80 seas Tournament fever set in like never before. Fans who were conspicuo ly missing during the regular season shed their apathy to gobble ducuts and jump on the victory wagon. And, when all was said a done, the shock worn off, and the tears dried, our mighty Admirals fe points short of taking it all in Columbus. So it ended, and the Admir returned home with the greatest record in the school's history, 24 w and only two losses, not bad, not bad at all for a group of scrappy k from Lorain. The thrills of all those victories, and the agony of that defeat will provide memories for a life time. "We love ya, Admiral

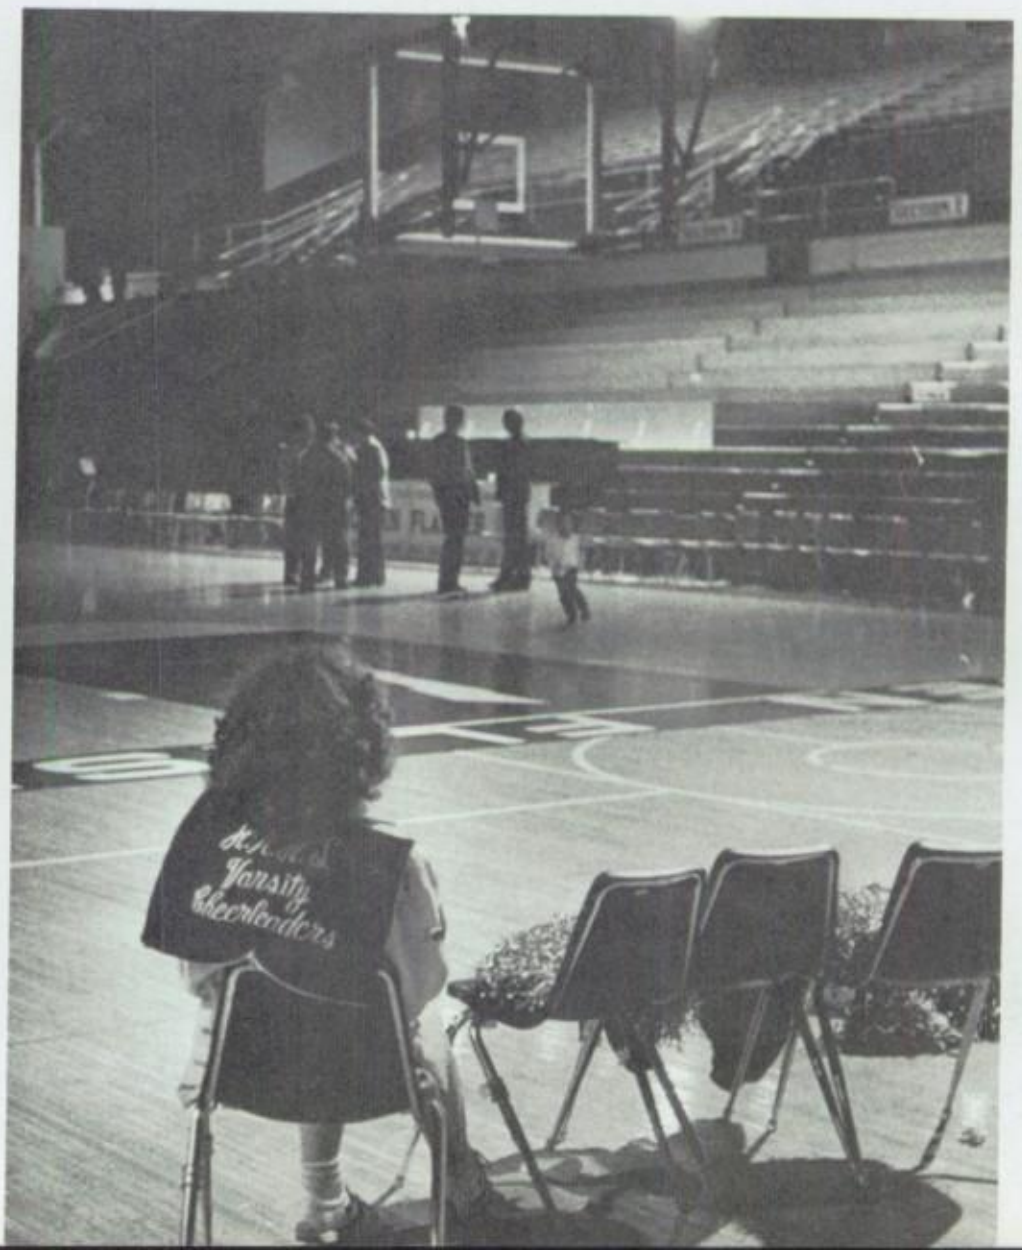
It's All Over For Another Year -







Thanks For A Great Season!



Remember When?

Who ever heard of a snow day in April? Well, it happened! A mini-blizzard came roaring through Lorain late Monday night, April 5, 1982, and dumped several inches of snow which inturn gale-force winds deposited in large drifts throughout the City. There was no school on Tuesday, April 6, just two days away from the start of Spring Vacation. April 6 also marked the third snow day for the '81-'82 school year. This was the first year the class of '82 experienced snow days at King. The last time was back during the Blizzard of '77-'78. But '81-'82 proved to be a very special year of its own- 7 months of snow, record-breaking snowfall of over 100 inches. Summer never looked so good.

UNDERCLASS

JUNIORS

Three hundred and sixty eight of last year's sophomores walked through the doors of Admiral King with a carefree air. They were the most powerful of the underclassmen; they were finally **juniors!**

But they were soon made to realize that being juniors did not mean being totally footloose and fancy free. It was the year to start thinking about and planning for life after Admiral King. It was time to start a bank account for higher education, to sort through tons of college brochures, to prepare for entrance exams, and take tours of universities.

These many responsibilities and decisions that rested upon the juniors' shoulders gave them a heady feeling of approaching adulthood that made them more eager to be seniors then ever before.

"Hello. Hello! Hello?"

Do You Have The MONDAY BLAHS?

You know the feeling. When your alarm clock sounds off, you have a strange urge to hit it with an Algebra book. Once you shut off the clock it's 8:15, and you **still** can't muster up the desire (or energy) to roll yourself out of bed. You wonder if you're coming down with a sort of exotic flu, and then it hits you—you've got the "Monday Blahs!"

Once you've got them, what do you **do** with the "Blahs"? Some fortunate people are able to doze right through their alarm clocks. Really wise people don't even set them at all. Others may go to school, never suspecting that it is a Monday . . . living proof that "ignorance is bliss." But if you don't fit into any of those catagories, you can always pretend that it's Friday!

SOPHOMORES

Three hundred and eighty five metamorphosized freshman returned to King in September, bigger and better than before. They were 1982's sophomores, and they knew it! Now that they had passed their initiation year with flying colors, they **really** started to have some fun . . .

Being a sophomore meant not only moving up at King, but also moving up in the world. It meant celebrating "Sweet 16" with an eleven o'clock curfew. It brought that first date, first job, and first driver's license. It also introduced the phrases "Hey, Dad, can I have the car?" and "Hey, baby, want a ride?" into the sophomores' working vocabularies.

Sophomore year meant many different things to each member of the Class of '84, but for all it was a new and exciting phase of life that could only become better as they became juniors.

FRESHMEN

On September 2, 1981, 441kids finally hit the "big time." They were the pride of Lorain's elementary schools: public ones like Mason and Hawthorne, and parochial ones like St. Peter's, St. Mary's, and Nativity. Little did they know that they were beginning a four- year adventure that would ultimately change them into the pride of Admiral King and the Class of '85.

But, awaiting this great metamorphosis, they were still **freshmen.** There was no escape from algebraic equations, boiling points or Resuscitation Annie. There was no **telling** when they would find themselves hopelessly lost in the shop classes. And there was certainly no way to stop the sophomores, juniors, and seniors from constantly reminding them of their status. Freshies . . . **hmph!**

These obstacles, however, did not stop our frosh from living up the "big time." As the months went by, and as they found new pals, they carved out their own special place at King . . . a place where they could stand on their own two feet, and from there, step up to be . . . sophomores.

FRIDAY'S FROLICS

Let's face it, Fridays are the only days when we actually **like** to go to school. It's the day that everyone gets rowdy just **thinking** about the weekend, and there are crazy things going on wherever you look.

What do **you** do on Fridays? Do you get that wild urge to kick up your heels for pure joy? Can you restrain yourself from going totally bananas? Do you heave a hugh sigh of relief when that last bell finally rings? Then join the club!

Fridays come only once a week, but they are sure worth the wait!!!

The Freshman's Friend

Follow these easy rules for survival at King:

DO:
- Learn where your locker and classes are.
- Get well-acquainted with someone who drives to school.
- Use stairs other than the main ones.
- Go to sporting events—support your school!

DON'T:
- Ask seniors for advice; they just laugh.
- Skip on Senior Skip Day—freshmen are to first to be caught.
- Sit at the juniors' lunch tables.
- Wait until you graduate to buy a yearbook.

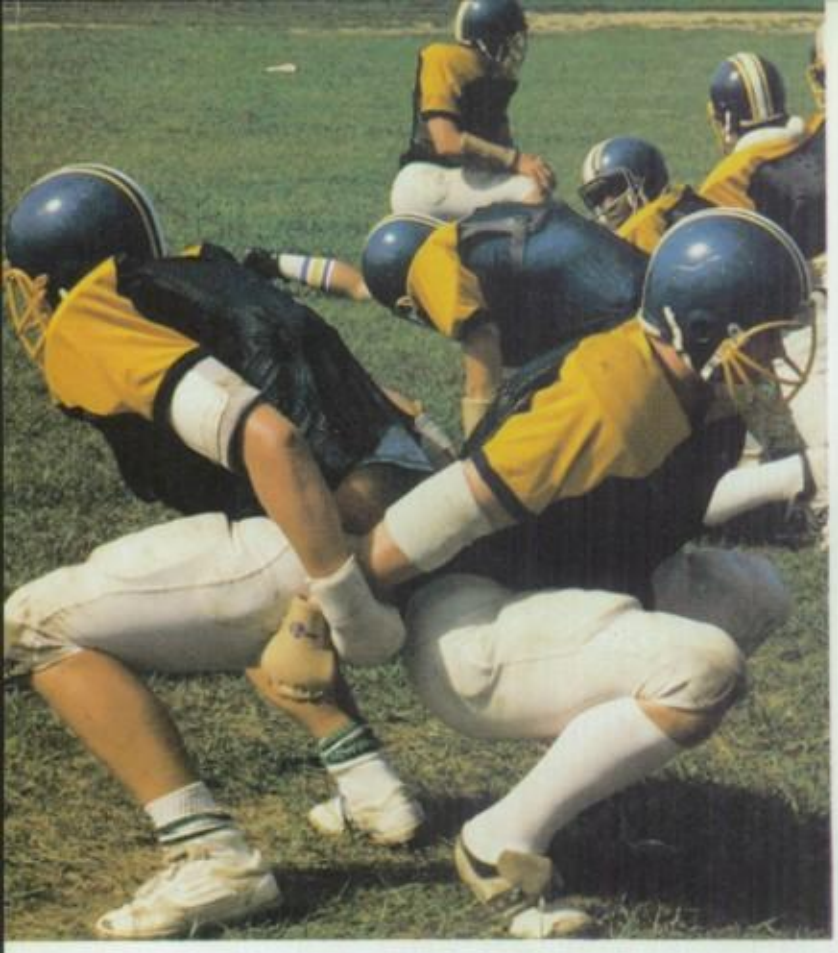
Jerry scores the big one against Elyria.

The Admirals off to their second win against Elyria.



This was our Beginning. It started with practice. Soon the season brought some concerns with an 0-3 record going into conference play until, at last, the Offense caught up with the Defense. Before it was all over, we felt both the agony of defeat and the thrill of victory.

The Agony and the Ecstacy

Unlike the Varsity, the JV's started their season in a blaze of glory, jumping off to 4 quick and impressive wins with the likes of Bob Calamari, Gary Patton, and Ryan Warfield leading the attack. But the thrill of victory was short lived as the JV's dropped their final four games. The Freshmen, meanwhile, closed their season with a record of 2-3-1, but the year produced a few talents like Eric Vest, David DelPrincipe, Chris Gregg.

Admirals Compile Best Record In History

Row 1, L to R - Scott Schuenaman, John Reddy, Mark Amato, Dave Wood, Paul Kurta. Row 2, L to R - Doug Herrmann, Chris Costantino, Bob Imhof, Jim Tomko, Jeff Tomko, Jim Gray. Row 3, L to R - John Sislow, Adrian Harris, Borys Pakush, Rob Bansek, Huzefa Chhatriwalla, Jon Koethe.

The form that took Jim to Columbus!

It was another one of those years for Coach Hicks and the King Netters, a year of Victories. But this year was even greater because the Admirals compiled the best record in 21 years. King finished the '82 season with 25 wins and only three loses. In addition, King won the Buckeye Conference for the fifth time and won the City Championship for the 7th time in nine years.

Leading the way for Coach Hicks was super sophomore sensation Jim Gray. Jim qualified for the State finals in Columbus where he lost to the state runner-up in Singles. Infact, Jim's only two losses against 41 wins are against the State Champ and the runner-up, both seniors. Jim was selected to the Plain Dealer Northeast Ohio All-Star Team. John Sislow was picked to the 2nd team. King's double teams of Adrian Harris and Paul Kurta along with Jim Tomko and Bob Imhof were selected Honorable Mention.

And, of course, Coach Frank Hicks hit a milestone in his career- his 300th win. Congratulations, Coach!

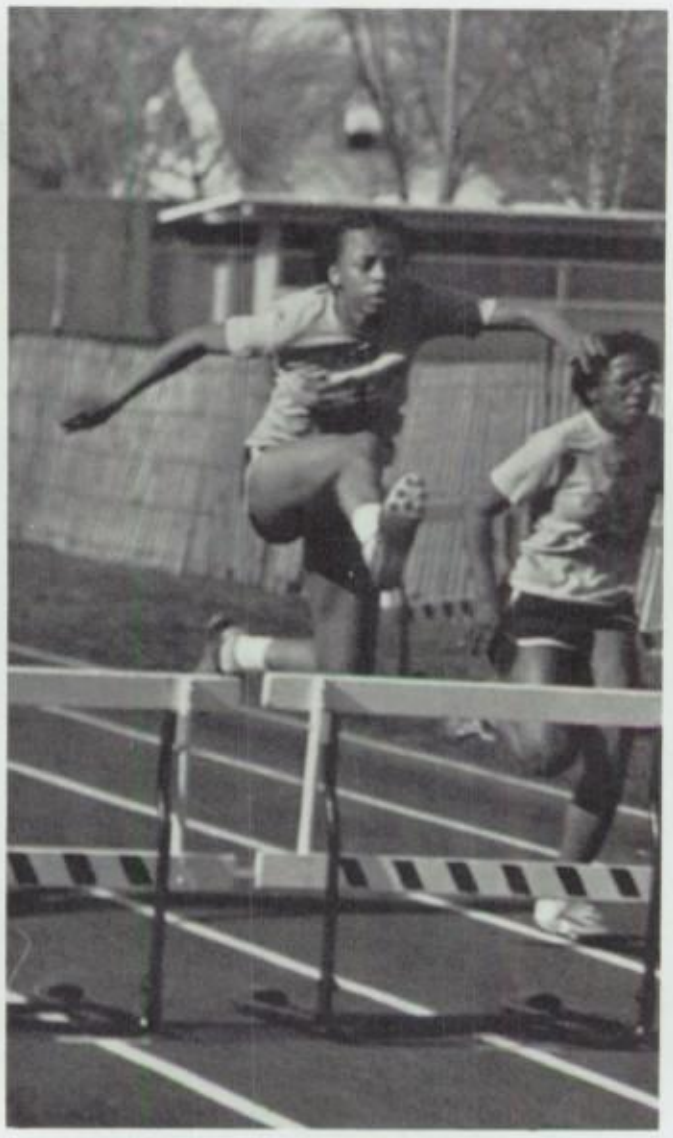
The Cinderellas of Track did not need a Fairy Godmother to rise to the occasion. They did it on their own, with Ms. Lew's guidence, of course. The ladies ended their season with an 11-1 duel meet record. A Great Job! In addition, they were 1st in the Lorain County Relays, 1st in the City Meet, 1st in the Buckeye Conference, and 1st in the District. The gals were well represented in Columbus for the State Finals. Kim Walton placed 5th in the Long Jump. Melanie Collins ran in the 400 dash, and Marla Wardell, Kim Walton, Vernita Dunlap, and Pam Hill teamed together in the 800 relay. And the beauty of it all is these young ladies will be back in '83.

DeeDee and Pam show that winning form.



JoAnn takes a break.

Marla Wardell knows how to find that finish line First!

Ava Dampier has a style that will get her places.

The season didn't end in the manner that Coach Love would have liked, not to mention the team itself. But, nevertheless, it was a good year for the cindermen. The Admirals completed their duel meets without a blemish, winning 12 and losing none. Even in the relay meets, the Admirals put on a respectable showing, finishing 2nd at the Westlake Relays, 4th at the Sandusky Relays, 3rd at the Comet (Amherst) Relays, and 2nd in the Lorain County Relays. King finished 4th in the Buckeye Conference. And, down in Columbus, AK sent qualifiers in the 400 Relay (Derrick Nix, Nate Ward, Jerry Dunlap, Roger Smith), 3200 Relay (Smith, Mike Walton, Leon Rainey, Doug Molnar) who went to State with the fastest qualifying time (7:48:4) but a pulled muscle on anchorman Molnar dropped the Admirals to the 6th place finish. And Molnar, who finished 2nd in the State in the 800 run last year, missed this year.

There's no question but that weather had the greatest effect on this year's baseball team. Afterall, how many times can you count on a mini-blizzard to put a halt to the program? The Admirals began the season with a 27 game schedule and actually played only 18 games, finishing up with a 10-8 season. The won-loss column may not be all that impressive, but the performance of certain individuals certainly was. For example, Mick Smigel, Paul Bires, and Scott Zimmerman were selected to the All-Buckeye Conference First Team. Infact, Bires, Smigel, Zimmerman, and Bob Calamari were selected to play in the first B.C. All-Star game in Findlay.

Granted, the '82 season is history, but already thoughts are aimed at higher expectations for the Spring of '83. Most of that expectation centers around Super Sophomore Sensation Scott Zimmerman who received four awards: Most Hits (24), Most RBI's (15, tied with Mike Abel), and the coveted awards from his teammates, Most Valuable Pitcher, Most Valuable Player. In addition, Scott was the only Sophomore selected to the All-Buckeye Conference Team.

Other award recipients include: Captains, Paul Bires and Mike Kuznar; Highest Batting Average, Mike Smigel (.452); Most Improved, Paul Bires; Coaches Award, Joe Carballada.

There's a fine nucleus of players returning for Coach Greg Paonessa.

Where'd it go, Mike?

VARSITY AKHS RAH-RAHS

Our Captain plays "coach!"

VARSITY: (L to R)- Kelly Kucirek, Nancy Debrason, Julie Turza, Tracy Thompson, Chris Debrason

Well, it's happened again. The Varsity Cheerleaders encountered a familiar problem, a diminishing squad. Fortunately, they were able to build the squad back by moving up two J.V. Cheerleaders as alternates.

The squad accomplished quite a bit over the past season. They were picked to compete in the Lorain County Cheerleading competition finals at the Midway Mall. They prepared several successful pep-rallies, and they taught many sidelines to the underclassmen during a school day which helped heighten the school spirit during the tournaments. Much appreciation is extended to the students for their super support of our fabulous basketball teams. And, it is expected that this support will forever exist here at King.

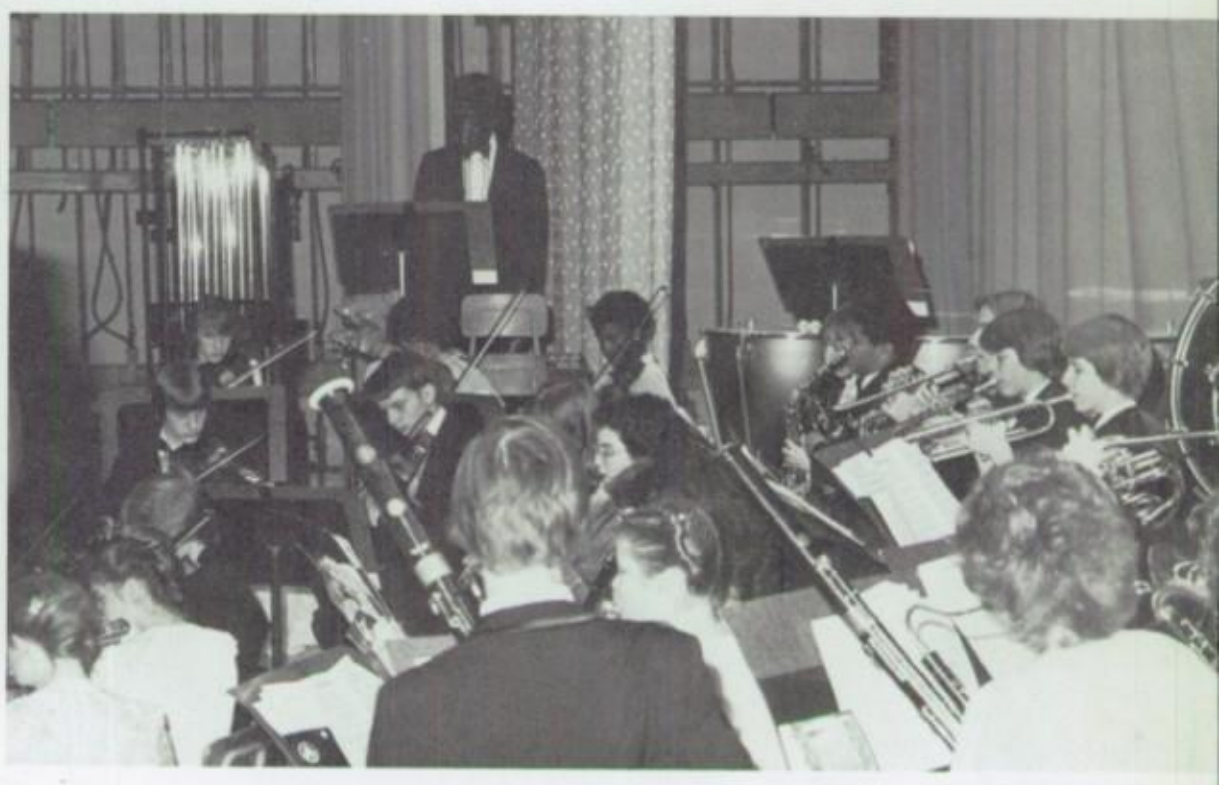
Maryjo Dury takes the baton. Uh, one. Uh, two. Uh, three.



The Admiral King High School Orchestra received a new director this school year. Replacing Dr. David Miller, who was transferred to Southview to be that school's Choir Director, was an old familiar face William Spruill. Mr. Spruill assumed the responsibilities of both the AKHS Band and Orchestra, and, as usual, he did a super job. The reality of this was very evident during the Orchestra's first concert at Christmas time and again in the Spring. The music was exciting and memorable. We salute the Orchestra and Mr. Spruill for a job well done.

The Band On The Go-

With the coffers full from two previous, successful fruit sales, not to mention other assorted fund raisers, the majority of the members of the Band boarded three buses on April 29, at 3:00pm, and headed for the "Apple Blossom Festival" in Winchester, Virginia. The Admirals were one of 46 Bands that marched in the gala parade. Even the Stage Band had a chance to perform in competition. With the performing behind them, Band members enjoyed three days of sight-seeing in our Nation's Capital. They even had a group picture taken on the steps of the Capital Building. Tired and weary, Band members made it home in the early morning hours on May 3, a trip full of memories now behind them.

FOREIGN EXCHANGE STUDENTS

ALUIZO TORRES FALCAO

Aluzio, known to everyone as Luca, is a seventeen-year old student from Rio de Janeiro, Brazil. During his visit in the States, he is enjoying the hospitality of Rick Bobek's family.

There are so many things about Admiral King High School that Luca likes, but what impresses him the most is the friendly students and the easy camaradie that is so apparent between them.

There is not one person who doubts that Luca will succeed in his career choice—that of a mechanical engineer. And for a little spice in his life, Luca plans to be a race car driver on the side. Sampling life at King has been enriching and has allowed for Luca's personal growth.

KAZUHITO YOKOTA

Kazuhito Yokota is a seventeen-year-old foreign exchange student from Kofe-City, Japan. Kaz is residing with Mr. & Mrs. Jerry Hartman, and at the end of June he will return to his native country where he will attend his old high school for a half-year and then study at Sophia University to become a diplomat.

When Kaz returns to Japan, he will return with a variety of unusual experiences under his belt. Because he loves to sing (and does it so well), he joined up with our concert choir and participated in their Christmas concert and excellent production of the musical, "Hello, Dolly!" in April. But most of all, Kaz will take with him memories of special friends and a deep love of the United States.
